TPC Golf Course - Hole 1

Bringing championship golf to the vibrant charm of New Orleans, TPC Louisiana golf course is as unique as the celebrated city itself. Legendary architect Pete Dye designed the golf course with the collaboration of fellow PGA TOUR players Steve Elkington and New Orleans native Kelly Gibson. This Louisiana golf course is the perfect complement to the local ambiance. The course is part of the Audubon Golf Trail, stretches over 250 acres of wetlands along the Mississippi River delta. The golf course features over 100 bunkers and boasts a series of short and compelling par-4 holes to balance. The five sets of tees, ranging from 5,121 yards from the women's tees all the way back to the 7,400 yards from PGA TOUR tees, offer golfers of all skill levels a great blend of challenge and playability.
