

Dan W. Renfro Partnering Award

**Dan W. Renfro
Partnering Award**

Award Description. Award to be presented to a project partnership that best exemplifies the principles and success of project partnering within the Mississippi Valley.

Eligibility. Any partnered project completed under a contract with the Corps of Engineers in the Mississippi Valley Division from 1 October (prior year) through 30 Sep (current year). Eligibility is not limited to AGC members.

Selection Procedure. The AGC-MVD Partnering Issue Resolution Committee will review all nominations to determine which partnership, in its judgment; best utilized the partnering process to achieve project success.

Instructions.

- a. Submit Nominations by **15 Nov (current year)** to the AGC-MVD Partnering Issue Resolution Committee; ATTN: Jimmy Waddle, Acting Co-chairman, Mississippi Valley Division; P.O. Box 80; Vicksburg, MS 39181-0080.
- b. Nominations should be a joint submission by the Government and Contractor of the partnership.
- c. Entire package must not exceed 11 pages. Any nomination package that does not follow the space limitations for each item as shown on the nomination form will be disqualified.
- d. Nominations must use the form provided and may be handwritten or typed.

Award Presentation. The award will consist of a letter and one plaque for the primary contractor representative and an identical plaque for the Corps of Engineers field office. Presentation will be made at the MVAGC Annual Meeting in February.
